Soroptimist International of Europe  
Route de Florissant 72  
CH-1206 Geneva, Switzerland

Dear President Eliane,

On behalf of the board of directors, members and staff of Soroptimist International of the Americas, I would like to extend our sincere sympathy for those who have been affected by the tragic events last week in Norway. We hope that Soroptimist members and their families were not directly affected but know that all of Norway grieves for those lost and injured. We are continuing to follow the news closely and wanted you, the Norway Union and all the members of Soroptimist International of Europe to know that our thoughts were with you during this tragic time.

Please let us know if there is anything that we can do to support your federation in this difficult time.

Sincerely,

Sharon Fisher, SIA President
