

SOROPTIMIST INTERNATIONAL OF EUROPE

GUIDELINES

FOR SINGLE CLUBS

I. General : The Club

- The Club must meet once a month, at least 10 times a year, at a precise meeting place easily accessible to all. This can be any public area, school, communal hall, restaurant, coffee shop.

The Club must have an annual General Assembly to which all members are invited to attend. This General Assembly should take place some two months before the Federation's Governors' Meeting. Elections are to be held at this meeting for officers of the Club who will take office on October 1st which is the beginning of the Soroptimist year.

The President of a Club is elected for two years and may not be re-elected to the same office for a second consecutive two year period. All members of the Board are elected for two years. Only the Treasurer may be re-elected for one further two years term of office.

The Charter President will start immediately before the chartering of the club and will end on the 30th of September of the second year following the chartering date, even if this period is less than two full Soroptimist years. Her term of office may not be extended any further and elections will have to be held to nominate the next President during the months of March/April immediately preceding the end of the term mentioned above.

SI/E HQ must be informed in good time of the names and addresses including telephone and fax numbers and e-mail addresses of the President, Secretary and Treasurer who have been elected for the biennium and it would also be desirable that it is indicated in which language they prefer to communicate : English or French, or both.

- One Programme Director and one Assistant Programme Director will be elected. The term of Director and Assistant Programme Director shall be two years. They may be re-elected for one further two years term of office.

It is very important that SI/E HQ is informed of the names and addresses of the Programme Director and Assistant Programme Director so that due contact may be established with their respective Federation Programme Directors and Assistants.

All information regarding the President, Secretary, Treasurer, Director and Assistant Programme Director must be communicated to SI/E HQ not later than one month after the election and in any case by June 15th of that year.

- Although the Federation provides for the basic By-laws for Single Clubs, each Club may annex internal decisions in the form of a memorandum covering certain subjects related to the Club, provided that these are not in contradiction with the official Constitution and By-laws.

- **In order to maintain a good communication with the Federation**, it is recommended that the club designate a correspondent who is fluent in either English or French. This member could also read printed matter and report at the club's meetings.
- It is the task of the secretary to keep all important documents and minutes of each monthly meeting.
- At the end of each two year period, the Club officers must turn over to their successor all relevant documents.

II. Obligation to the Federation
