

## THE SOROPTIMIST INTERNATIONAL

it is an organization for today's women, engaged in professional and managerial activities. Our commitment is to a world where women can realize their individual and collective potential, realize their aspirations and have equal opportunities to create strong pacific communities in the world. Soroptimists promote actions and create opportunities to transform women's lives through the global network of members and international cooperation. Soroptimist International supports human rights for all, peace in the world and good international will, promotion of women's potential, transparency and democratic system of decisions, voluntary work, acceptance of diversity and friendship.
