

Soroptimist International

Soroptimist is an organization for today's women engaged in professions and managerial activities. Our commitment is to a world where women can realize their individual and common potential, carry out their ambitions and have equal opportunities to create strong, peaceful communities in the world. Soroptimists foster actions and create opportunities to change women's lives through the members' Global network and international cooperation. Soroptimist International cooperation. Soroptimist International support human rights, peace in the world and international collaboration, women's potential promotion, transparency and a democratic decision system, volunteering and acceptance of diversity and friendship.
