

## Soroptimist International

is an organization for today's women, engaged in professional and managerial activities.

Our commitment is to live in a world where women can implement their individual and collective potentials, their aspirations and have equal opportunities to create strong and peaceful communities around the world.

The Soroptimists promotes actions and creates opportunities that transforms women lives through the global network of the members of the club and the international cooperation.

Soroptimist International supports human rights for all, peace in the world and good international will, promotion of the women potential, transparency and the democratic system of decisions, volunteering, acceptance of diversity and friendship.
