Celebrations

Dear Soroptimists,

As Etiler Soroptimist Club, we have been serving to improve the lives of women and girls for 30 years. We have brought into being the best examples of solidarity, sisterhood and social service together. As we glance back, we are proud to have contributed to women's empowerment with many long term projects.

We would like to invite you to all the events of our 30th Anniversary Celebrations Programme to cement our bonds as Soroptimist sisters.

We shall be honored by your presence!
Warmest regards,

on behalf of Organization Committee
