SOROPTIMIST INTERNATIONAL is an organization for today's women, engaged in professional and managerial activities. Soroptimists work together at local, national and international levels to transform the lives and status of women and girls through education, empowerment and enabling opportunities. Soroptimists promote actions and create opportunities to transform women's lives through the global network of members and international cooperation. Soroptimist International supports human rights for all, peace in the world and good international goodwill, promotion of women's potential, transparency and democratic system of decisions, voluntary work, acceptance of diversity and friendship. The principles of Soroptimist are to strive for: the advancement of the status of women, high ethical standards, human rights for all, equality, development and peace, promoting international understanding, goodwill and peace.
