

Soroptimist International

Soroptimist is an organization for today's women engaged in professions and managerial activities. Our commitment is to live in a world where women can realize their individual and common potential, carry out their ambitions and have equal opportunities to create strong, peaceful communities in the world.

Soroptimists promotes actions and creates opportunities to change women's lives through the members' global network and international cooperation.

Soroptimist International support human rights for all, peace in the world and international collaboration, women's potential promotion, transparency and a democratic decision system, volunteering and acceptance of diversity and friendship..

The foundation is promoted by
